hi Fenix and Eric,

Would it be possible to get a copies of the risk assessments for hickam? It looks like there are several reports supporting the cleanup numbers for each removal action and for the remedial action ( 2006 HHRA, 1020 APRA 3, 2010 APRA 2, 2010 APRA 1, 2011 HHRE, 2012 EHE). EPA would like to review the reports so that we able to answer potential questions from the community as well as address concerns raised by our IG.

If you could send them via email or put them in a share file that would be great.

mahalo,

Eugenia
